

Sweeten the pot with Teladoc[®] — a convenient option your clients will love

Increase the value of every sale with the 24/7 convenience of Teladoc

Take your product pitch to the next level with Teladoc — the latest option* of our Self-Funded Program.

Your clients need more ways to help them lower their health care costs, and Teladoc can help them do it.

Teladoc:

- **Can cost much less** than visiting an urgent care center or doctor's office
- May help your clients **lower their claims costs**
- Adds the **convenience** of receiving quality health care over the phone **wherever and whenever your clients' employees need it**

Getting quality benefits for less? No client can argue with that.

Teladoc doctors can treat and diagnose many common medical conditions, including:

- **Cold and flu symptoms**
- **Allergies**
- **Ear infections**
- **Pink Eye**
- **Respiratory infections**
- **Sinus problems**
- **Skin problems, and more**

* For plans with effective dates of March 1, 2018, and later. Not available in Washington. The employer has the option to add Teladoc to the plan for an additional fee. Only available with plans administered by Allied Benefit Systems, Inc.
For agent use only. Not for distribution to consumers. The National General Benefits Solutions (NGBS) Self-Funded Program provides tools for employers owning small- to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. Stop-loss insurance for the National General Benefits Solutions Self-Funded Program is underwritten and issued by Time Insurance Company, National Health Insurance Company, Integon National Insurance Company, and Integon Indemnity Corporation.
