

Teladoc®

Because illnesses don't check
urgent-care wait times

Add the convenience of Teladoc's services to help your employees save time and money

Increase the value of your employee benefits with **Teladoc: An affordable health care option¹ that gives you and your employees 24/7 access to a U.S. board-certified doctor.**

Teladoc brings health care into the 21st century by introducing it to the wireless revolution. As part of our Self-Funded Program,² **you can add Teladoc to your plan to help your employees:**

- Avoid the hassle and long wait times at the doctor's office
- Receive treatment anytime, anywhere, for many common, non-emergency conditions
- Save money on health care by giving them a more convenient and low-cost option

Teladoc may help you lower your overall claims costs and save money for your members and your business.

Teladoc doctors can treat and diagnose many common medical conditions, including:

- **Cold and flu symptoms**
- **Allergies**
- **Ear infections**
- **Pink Eye**
- **Respiratory infections**
- **Sinus problems**
- **Skin problems, and more**

¹ Only available with plans administered by Allied Benefit Systems, Inc. Not available in Washington. The employer has the option to add Teladoc to the plan for an additional fee.

² For effective dates of March 1, 2018, and later.

The National General Benefits Solutions (NGBS) Self-Funded Program provides tools for employers owning small- to mid-sized businesses to establish a self-funded health benefit plan for their employees. The benefit plan is established by the employer and is not an insurance product. Stop-loss insurance for the National General Benefits Solutions Self-Funded Program is underwritten and issued by Time Insurance Company, National Health Insurance Company, Integon National Insurance Company, and Integon Indemnity Corporation.
